

# Discover the Sprra-Coupe Advantage

Model 220 Wide Front

## When You Can't Afford The Weight!

A Melroe Sprra-Coupe gets you through your fields with efficiency, minimum tracking damage and easy maneuverability. You can rely on the Sprra-Coupe advantage offering a lightweight, heavy-duty sprayer that's fast, comfortable and versatile.

- Sprra-Coupe's speed and ease of handling means you're finished with your spraying before others who use slower and bulkier sprayers.

*Sprra Controller... A computer-based control console automatically maintains your flow regardless of speed or gear selection.*

- With the full line of Sprra-Coupe options and accessories, every Sprra-Coupe model turns into the ideal sprayer for small grains and row crops.

- Sprra-Coupe has been a leader across the nation for three decades.

So take some of the weight off the fields that mean so

much to you. Check out a Melroe Sprra-Coupe or see a custom applicator who owns a Sprra-Coupe and control your weight!

Hydraulic Controls (220-230)

*Boom height, Boom tip and Boom fold are all hydraulically controlled from the comfortable cab so correct boom height from tip to target can be easily obtained.*

Model 216

*Great for small grains and row crops, the 216 reaches speeds over 24 m.p.h., features electric boom selector valves and electrically adjustable boom height.*

Model 230

*The mighty 230 offers high efficiency in a high-clearance sprayer for the taller crops such as cotton. The wide front is standard for more stability on all terrain.*
