park. Clothing not sold from this event was given to the Bowery Mission in New York and to an Indian reservation camp. Her students at Thanksgiving time had the experience to prepare and cook a turkey. Lynch also helps her students, the ones active in the Boy Scouts, to find community service projects so they can get their Merit Badge. Lynch and her students help the young farmer chapter by stapling, folding, and stuffing envelopes for the newsletter.

Lynch was graduated from Albright College, where she met her husband, Claude. The Lynchs are the parents of two children and have one grandchild. They also are members of and are active at the St.

James Episcopal Church in Lancaster.

• **Appreciation Award - Thomas D. Grater.** Grater was the executive director of the Ephrata Recreation Center for 37 years, retiring in March 1992. Grater was graduated from Reading High School in 1946. His next three years were spent in the Navy, where he was honorably discharged. Then he went to East Stroudsburg University, where he graduated cum laude and later in 1987 was inducted into that University's Hall of Fame. Grater then went to Penn State University to achieve his master's in recreation administration, graduating in 1955. He then worked for the Reading Recreation Department

several months before coming to Ephrata. Grater was the recipient of many awards, including national, state, and locally. As director of the Recreation Center, his jobs were planning and operating outdoor pools, parks, playgrounds and maintaining all recreation land and those contracted with the Ephrata Boro and the school district. Grater assisted Ackley and the Ephrata Fair Committee in starting Tent City activities. During Ephrata Fair week, he helped the chapter and tent city committees as a coordinator between the chapter and the Ephrata Boro. Tom and his wife Bonnie have two sons and are active members of the Bergstrasse Lutheran Church.

(Turn to Page E3)

Your shift has come in.

Sitting in your Silent Revolution cab you hardly hear the big diesel purring in anticipation as you turn into the field.

Lower the implement. Open the throttle. You literally surge ahead. With over 92% of available power being delivered to the wheels, you're moving faster and more efficiently than conventional powershift tractors.

Suddenly a tough spot tugs you down. Without taking your hand off the wheel or your eyes off the implement, you flick the Dynashift™ lever from C to B range.

There's no jerk. Just a smooth, ideal 17% downshift to power you through. End of the field. Flick the Dynashift lever up to D. Again, no lurches or jerks. Just smooth, positive acceleration. Amazing, you think. That a transmission this advanced could also be so simple and reliable.

Test cruise a Dynashift today in selected MF 3600 Series tractors at your nearby Massey Ferguson dealer.

1 Powershift unit delivers four clutchless shifts in any gear

2 Reverse shuttle provides synchronized forward/reverse shifts in any gear

3 Main gearbox delivers eight base gears for a total of 32 speeds when combined with the four powershift ranges

STEEL BALE BOXES

With 8-Ton Wagon Gears

3 Sizes Available... 16', 18', 20' with or without running gear

• Also will fit sides onto your flat wagon
