"SINCE 1929" MIGHTY GIANT
JONES MANUFACTURING CO.

P.O. Box 38 • Beemer, NE 68716 •
Phone (402) 528-3861 • FAX (402) 528-3239

Jones Manufacturing was the first with a hydraulic-opening tub, the first with an electronic governor and the first with a Hydra-fork. From the single 14" discharge auger, to the rubber lagged, top-drive elevator with our exclusive Jones-Ridge Belt, no other grinder in the world has the features, capacity, and durability of the Jones Mighty Giant.

With several of our first units manufactured in the early 1960's still in use today, there's no question Jones Manufacturing's Mighty Giant is the best value for your money, and the only grinder for your operation!

Mighty GIANT Tub Grinders:

- ✓ Highest available production capacity
- ✓ Low maintenance costs
- ✓ Most efficient size for portable and stationary use
- ✓ Self-contained, portable hydrafork and PTO models also available
