

Takes Best Of Show

CHICAGO, ILL — The "Beef. It's What's For Dinner" advertising campaign and "Beef Industry Launches New Ad Campaign" summer retail promotion were each named "Best of Show" in regional competition sponsored by the National Agri-Marketing Association (NAMA).

Twelve National Live Stock and Meat Board-managed programs were recognized in NAMA regional competitions in Chicago (Chicago chapter), Indianapolis

(Mid-American) and San Francisco (West). There are a total of 29 NAMA chapters nationwide.

"The NAMA awards competition recognizes the best that agriculture has to offer in an ever-changing and competitive marketing environment," says Robert N. Rebholtz, an Idaho lamb and beef producer and chairman of the Meat Board. "It's a pleasure to see that the industry's finest have chosen our programs as examples of leading marketing tools."

The Chain Saws For People Who Want To Act Like Lumberjacks, Not Work Like Them.

If you know a little about the timber business, you know that Stihl chain saws have been used by professional woodcutters for over sixty years

So maybe you think Stihl equipment is "too good" for a suburbanite or farmer or anyone else who needs to cut wood on an occasional basis

Well, we're happy to tell you that Stihl makes a whole series of chain saws with your needs in mind

But don't confuse

The Stihl 021 Superb power to weight ratio isolated carburetor electronic ignition 021 - \$259.95 14"

The Stihl 023 All the features of the 021 plus 30% more power 023 - \$294.95 16"

The Stihl 025 More powerful than the 023 plus convenient side chain tensioner 025 - \$319.95 16"

The Stihl 026 Designed for professional use on the demanding weekend woodcutter 026 - \$429.95 16"

them with discount-store chain saws

All Stihl saws are designed for performance, ease of handling and starting, and durability

Now, about the 026 shown at the bottom we'll admit we sell this saw to professional woodcutters But it's also bought by people who simply put a lot of hours on a saw every year

And by the way, when were you ever unhappy because you bought a product that was too good?

For The Part Of You That Promised You'd Never Compromise.
