# LAND PRIDE

## 15' ROTARY CUTTER

**Land Pride 15' Rotary Cutter offers rugged dependability**

Starting with a 10-gauge deck for the center section and wings, we've added effective reinforcement channels to each section for superior strength. With a mowing height ranging from 2" to 14", it can also handle material up to two inches thick. With two self-leveling rods from front to rear, mowing height can easily be maintained, as well as deck-flexing being held to a minimum.
