

Jersey Scholarships Available in 1993

REYNOLDSBURG, Ohio — There are 11 scholarships available to youth which are administered by The American Jersey Cattle Club.

Three V.L. Peterson Scholarships in the amount of \$750 are available to Jersey youth who have completed at least one year of college. "Vic" Peterson has been called the "dean of dairy breed representatives" for his 25 years of service as an AJCC area representative.

One \$750 Paul Jackson Memorial Scholarship is awarded annually to a youth who has completed at least one year of college. Mr. Jackson was a long-time Jersey breeder, showman, and herdsman who was devoted to encouraging junior interest in Jerseys.

Jersey juniors who are graduating from high school and have been accepted by a college or university are eligible to compete for two William A. Russel scholarships. The Russell Scholarship was established in 1977 to honor Bill Russell, a life-long Jersey enthusiast who was an area representative of The American Jersey Cattle Club and National All-Jersey Inc.

Three \$750 Jack C. Nisbet Memorial Scholarships are awarded annually to participants in the National Jersey Youth Achievement Contest. Nisbet joined the AJCC staff in 1941 as an extension director. He served as executive secretary for the Club from 1943 to 1947.

There is a \$1,000 Stanley K. Bansen scholarship to be awarded to students working on an advanced degree (masters or doctorate) in dairy or animal science, dairy manufacturing, or agricultural business. The Bansen scholarships, The American Jersey Cattle Club administers the ABS/Morris B. Ewing Essay Contest sponsored by American Breeders Service.

The contest winner will be awarded a \$500 scholarship. Contest entries should focus on the question, "What can the purebred Jersey breeder do to meet the needs of the dairy producer in the year 2000?"

In order to be eligible for the contest, applicants must be between 16 and 22 years of age on Jan. 1 of the contest year. Essays should not exceed 1,000 words and will be judged on accuracy of

information, creativity, and grammatical correctness.
