## Best in the Country

For rough duty, rougher weather:  
Rugged, practical, cost-efficient  
Centurydrain™ roofing and siding.

Centurydrain is the roofing and siding to use for a strong, tight structure that'll carry you through the years of heavy snows, driving rain, and ripping winds.

Wheeling Centurydrain is pure practicality: full-hard, high tensile steel; galvanized for toughness, durability, and rust resistance; and with an exclusive drain channel for a dry, snug interior.

Handsome appearance, too: bold shadow lines and a choice of rich, baked-on colors. The best in the country is right here. Stop by.
