

**PURINA  
SALUTES**

# JTJ WAKEFIELD FARMS

Bedford, PA 116 Cows

## Key Advantages Have Been:

- + "We don't see the quick peaks with fast drop offs anymore. Cows hold on from month to month"
- + "First calf heifers average 62.3 lbs. of milk"
- + "Progress has been a reflection of the whole program from calves to dry cows"
- + Since starting with Purina and Bedford Farm Bureau in 1988 our cows have improved despite two droughts, one wet summer, marginal forage quality and increase in herd size without increasing the size of our facility"

The Wakefields are a "Farmers Farm." Good, solid breeding, feeding, and health programs without a lot of fancy equipment or facilities. They prove the consistent value in Purina and the performance potential of Purina Ultimate EXT.
