More power to you.

For power, versatility and reliability, invest in a Case International 7120 MAGNUM tractor.

means more...than ever.

It includes the features farmers asked for. Like an efficient turbocharged diesel engine for plenty of pulling power at 150 PTO horsepower. A smooth 18-speed full powershift transmission that lets you match speed to conditions. And a comfortable cab with convenient controls and unsurpassed visibility.

All to make you more productive.

ATTACHMENTS FOR CASE UNLOADER SKID STEERS

RAKE

Suitable for distribution of loose material, crushed stone, gravel or cinders for grading, leveling and removing oversized stones and debris. And for breaking soil, mulching soil and spreading topsoil. It has a turnable adjustable angle, and can be ordered with an optional flip-up blade assembly that drops easily to a working position.

TOOTH BARS

This simple, proven tooth attachment will maximize performance and efficiency in all types of digging and loading situations, offering superior performance of well-on teeth, increased bucket strength and reduced wear on bucket cutting edges.

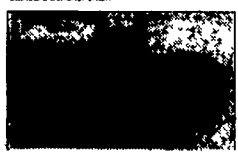

TREE SPARE

Your skid steer becomes a landscaping expert with this versatile digging tool. It offers a truly economical way to transplant trees and shrubs or to pre-dig holes for planting trees.

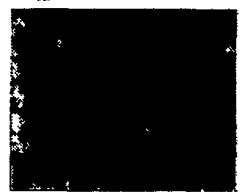

TRENCHER

Trench up to 4 feet (1.2 m) deep or 1 foot (305 mm) wide with this useful attachment. It features side shift, allowing you to trench closer to a building or fence and is designed for easy operator entrance and exit. Offers easily replaceable spoil augers, reversible wear plates on boom and 43,000 pound (19,504 kg) standard trencher chain.

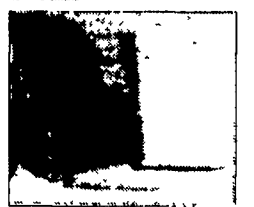

TRACKS

Protect your skid-steer's tires from potentially damaging surface materials and improve traction and flotation at the same time. Ideal for wet, snowy, sandy or boggy surfaces.

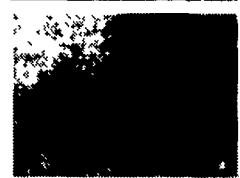

PALLET FORKS

Easily convert from loading and excavating to material handling with loader forks and optional hydraulic fork movement.

4-in-1 BUCKET

This versatile bucket expands your options and profit opportunities by allowing you to scrape, clam, grab and dump in addition to more traditional bucket applications. A popular bucket for other loaders in the Case line, it's now available for all skid-steers.
