

LEAN ON ME

New LEAN GENERATION[®] Starter Chow.[®]

From the people who know how to feed for lean.

It takes a special touch to succeed in the nursery. The nutrient needs of the baby pig constantly change. But, until now, you couldn't make the needed adjustments.

Now Purina research has applied lean technology to the young pig. There are four entirely-new Lean Generation Starters which adjust to both the weaning weight and the age of baby pigs.

Only one place to get them. Your Local Purina dealer. Call now.
