**GEHL Swing Frame Mower  
Conditioners**

**1 ONLY - 12' Gehl Swing Frame In Stock At Old  
Price With 2 Year Warranty, Model 2240**

Three point flotation support provides both lateral and vertical flotation. The header is carried on two outside arms and pivots on a center link for clean cutting in uneven fields. This faster reacting system provides outstanding cutterbar protection from rocks and other field obstructions. It's easily adjustable for varying field conditions.

Easily adjustable guard angle. Depending on field conditions you may want to adjust the angle on the cutterbar. By simply adjusting the centerlink (top photo), you have infinite variation from 6 to 14 degrees.
