

Take Time For Your Child

Babies enjoy hearing music. When baby is awake and playing, turn on the radio for baby to hear a variety of sounds and rhythms. Playing soft music at naptime often calms a baby, helping her to sleep.

Sing songs to your baby. She doesn't care if you sing off-key or if the tune isn't quite right. Your baby likes to hear the sound of your voice. Try singing familiar songs such as "Hush Little Baby" or make up some of your own.

Play some gentle, rhythmic

music and dance with your baby. Hold her against you or nestled on your shoulder. Move sideways and back and forth in time to the music. She will like the gentle rocking motion.

CHELATION THERAPY

THIS MAY BE YOUR ANSWER TO: Heart Problems, High Blood Pressure, Poor Circulation, Arthritis, Diabetes, Leg Cramps, Numbness, Tingling, Cold Hands And Feet & Atherosclerosis.

Dear Golden Pride:

I am 70 years old, I have never felt better. Before taking Golden Pride Bee Pollen, Propolis, Formula #1 and 76 Plus, I had problems with nerves, high blood pressure, diabetes, and angina.

I have been on the above mentioned since April, '85. The last visit to my doctor he said; "Jake, you have a clean bill of health. You don't have to come back to see me unless you need to. Right now you are fine."

My weight has come down. I weighed 205 lbs. in March, 1985. I now weigh 184. I cut out all nerve pills, I eat good and sleep good. I love what Golden Pride has done for me.

Sincerely, Jake Tate

Dear Golden Pride:

Before beginning to use Formula #7, Bee III, I conducted tests for my cholesterol level. I tested at 265. After one month's usage of Formula #7, Bee III, I returned to have my cholesterol checked again. It dropped to 195! That's 70 points in 30 days! I made no dietary changes and only added Formula #7, Bee III to my diet. A beneficial side effect was that I lost 10 pounds!

Bob Gilstad

Dear Golden Pride:

For many years I suffered from arthritis, borderline high blood pressure, and leg pain due to poor circulation. After being introduced to Formula #1 by a friend and then attending your meeting in Raleigh, I began on 4 teaspoons/day reducing to 1 teaspoon after that.

After just one week of Formula #1, I no longer had any problems with arthritis. After just 2 weeks, my blood pressure dropped 10 points, both top and bottom readings. My legs don't hurt anymore either. I'M SOLD!

James Ives

Dear Golden Pride:

A lady told me about Green Barley and that it was good for arthritis. I got one bottle... I am now on the second bottle. I discovered I did not need my cane anymore. I had used a cane for 18 months. I had a back operation in June 1990 and a hip replacement in Jan. 91... People asked what I was doing, I told them I was taking Green Barley, they said get me some. I never dreamed I would be selling this product. In 3 months I sold to 103 different people, all because they saw the difference it made for me.
