Valuable Farm

110 Acres +/- Farm in Windsor Township, York County, Pa.

Attention Investors,
Developers, Farmers

Here is a farm with outstanding potential. The land is mostly all clear and rolling with a view for miles. There is 20 acres or so surrounding the house & barns. The pasture has a stream. Very nice setting.

Road frontage galore. Approximately 1673 feet on White Oak Rd. Approximately 880 feet on Craley Rd. and approximately 400 feet on Blacksmith Rd. Public sewer is along these roads on the South on a downhill grade. Public water is closeby on the West and Northwest. Other developments are popping up all around this property.

The farmstead has a 2 story frame home in good condition. The huge barns were used for beef cattle. There are 2 mobile homes on the property presently used as rental units. The valley with the farmstead would make a beautiful setting for a farmette.

If you are looking for a farm to farm this is a good one as there is very little unuseable land. The cropland is in good condition with good conservation practices.

Call for an appointment to see the boundaries.

Terms: 10% day of auction balance in 60 days. Balance of terms by Rob Lloyd of Stock & Leader - Attorney. Balance of terms day of auction.
