**Cedar Crest FFA Participates in Land Judging**

The Lebanon County FFA land judging contest was recently held in the Cornwall-Lebanon School District at the Glen and Linda

Krall farm. Fifty-six contestants from Lebanon County chapters of the FFA participated.

The contestant's scoring took into consideration aspects of the land, such as slope, stoniness, texture, depth of soil, and internal drainage. The students also had to identify conservation practices to be used on the land and hazards in special uses such as home building and ponds.

The Cedar Crest placings were as follows: Jamie Wiles finished second with a score of 229, Jeff Zimmerman placed fifth with a score of 219.5, Andy Martin placed ninth with a score of 208.5, Matt Sensenig placed tenth with a score of 207.5, and Scott Nolt placed thirteenth with a score of 203. The team placed second.

Tim Eimenheiser from the Soil Conservation Service was the

judge for the contest.
