Wednesday, June 9, 1993
 Somewhat irregular but better than expected for mid-week. Supplies of boneless skinless breasts with tenders were adequate. Product available for immediate shipments were held with increased confidence. Buyer inquiries for late month retail needs went unfilled. Heavier breast cutlets without tenders were available and slow to clear. Line run breasts were in close balance with current needs with only a few offers reported this morning. Yellow skin leg quarters were fully adequate and trading was at lower prices. Wings continued short of trade needs and buyers paid higher prices.

PRICES PAID PER POUND, ICE PACKED AND CO2 PACKED BROILER/FRYER PARTS, DELIVERED TO FIRST RECEIVERS IN POOL TRUCKLOT AND TRUCKLOT QUANTITIES.
