## Spend more time in the field, less time on service.

**Simplified design for less maintenance.**

There's no worse time for a breakdown than during harvest. That's why the Gleaner® is designed with the most advanced engine in the industry—the efficient air-cooled diesel. With air cooling there are no hoses, radiators, anti-freeze, gaskets, thermostats, or water pumps.

Maintenance is hassle-free.

Air cooling also provides maximum fuel efficiency, longer engine life, and lower operating costs. And, when you add in our state-of-the-art rotary threshing system and ComfortTECH™ cab, you have the most

efficient, productive harvesting system in farming today

Plus, every Gleaner is backed by a strong AGCO warranty and service support. Check out the Gleaner Rotary Combine at your Deutz-Allis dealer listed here. And ask him about flexible AGCO financing

## THE KUBOTA TRADITION

Kubota's L-Series tractors meet the demands of today's mid-size tractor users. Ranging from 20-40 PTO HP, they are ideal for small farming chores, weekend farming, light construction, commercial grass cutting, and a wide variety of maintenance and utility operations.

The Kubota tradition of quality performance, versatility, economy and durability can be found in each one. Quick-attach implements transform your L-Series Kubota into a mower, scraper, tractor/loader/backhoe, and more.

Create your own traditions of comfort and ease of operation with exciting options, including: power steering, glide shift transmission, and more. A narrow version is less than 4.4 feet wide. Heavy duty models offer enhanced loader performance. All models have features to reduce operator fatigue and enhance safety.

For versatility and power, begin your Kubota tradition with an L-Series tractor.
