**THE CUT AND DRY STORY ON THE HESSTON 1120.**

It cuts fast. It dries quickly. Making the Hesston 1120 one Mower Conditioner we're definitely proud of.

See, we built it rugged enough to endure the toughest working conditions a sickle-type mower could handle. The 1120's Half Swaybar Sickle Drive runs at a fast 1,700 rpm. It'll cut practically all types of crops in its 9'3" path—and cut time and maintenance, too.

Whether your crops are stemmy or leafy, the 1120's full-length Conditioner Rolls adjust for gentle or aggressive conditioning. So your hay dries faster—and bales more consistently. And of course, it's all backed by AGCO's Warranty Program.

See D.W. OGG and ask about our flexible financing plans on the 1120, or on the wide selection of equipment for all your hay and forage needs. It's the best—cut and dry.
