AGCO ALLIS

OPERATOR FRIENDLY

The AGCO Allis 6600 Series row crop tractors are engineered to put you comfortably in control. In addition to a comfortable cab or a platform and ROPS, you get low maintenance, low operating costs and a 1 year/1,000 hour warranty.

- Trouble-free, air- and oil-cooled engine.** The 6600 Series tractors are equipped with low maintenance, 4-cylinder, air- and oil-cooled diesel engines. The 6670 provides 63 PTO hp and the 6680 73 PTO hp, both with 22% torque rise. The 6690 has a turbocharged 81 PTO hp engine that delivers a 28% torque rise, as well as the best fuel economy in its class.
- Many speed choices.** The synchropower transmission with a separate synchro reverse offers 12 forward and 12 reverse speeds, planetary final drive, and a self-adjusting, hydraulically actuated clutch. An optional creeper transmission provides 16 forward and 16 reverse speeds, a dual speed option has 24 forward and 12 reverse and a power Hi Lo transmission provides 30 forward and 30 reverse speeds. All tractor models are available as either 2WD or AWD.
- PTO power and versatility.** The independent PTO operates at 540/1,000 rpm with 6- and 21-spline shafts and has a hydraulically actuated wet PTO clutch. The Category II/I 3-point hitch has a convenient rear remote control and is equipped with telescopic stabilizers. Optional telescopic lower links are also available.
- Quality performance and comfort.** The 6600 Series tractors ride on premium Goodyear® radial tires. They have hydrostatic power steering, a tilt telescopic steering wheel, hydraulically actuated wet disc brakes and a mechanically actuated differential lock. AWD models have four wheel brakes for 40% better braking and an operator controlled front differential lock for tighter turns. All operated from the comfort of the enclosed cab.

To experience the user friendliness of the 6600 Series tractors, or any of the "orange" line of AGCO Allis tractors ranging from 40 to 128 PTO hp, stop by or call us soon.

6600 SERIES TRACTORS

499

CAPACITY AND CONVENIENCE

The Model 499 Haybine mower-conditioner gives you 12-foot capacity with pivot-tongue convenience, plus:

- Patented Rolareel header—no auger needed.
- Fast, clean cutting from dual sickles.
- Thorough, plug-free conditioning from chevron-design rolls.

Put a "499" to work for you.
