Delmarva Broiler/Fryer Market

Wednesday, June 30, 1993
 Movement of ready-to-cook whole birds was about moderate. Seller offerings were adequate to fully adequate and in closest balance on 3 pound and smaller sizes. Live supplies were moderate; weights were desirable to heavy. Processing schedules were heavy. Less than trucklot asking prices were mostly unchanged to 1 cent higher at 48 to 64 cents; however, over 3 pound sizes were noted available for negotiation. Trade sentiment was generally steady. In the part complex, leg items, mainly leg quarters cleared well. Breast items were irregularly balanced; however, bone-in breasts and tenders, along with wings were slow to clear.
