EBY Quality Specs Don't Cost - They Pay!

HERE'S WHY YOU CAN'T AFFORD ANYTHING LESS.

Eby livestock gooseneck trailers make top quality affordable. Both Wrangler and Ruff Neck models feature premium quality components and all-aluminum construction for greater payload efficiency, minimum maintenance and highest resale value.

The economical Wrangler series offers rugged design in lengths from 12' to 24', with a choice of 4 heights. The work horse Ruff Neck series is available in lengths from 20' to 32' and three standard widths, with a full range of custom options (including stainless steel front end).

These trailers are engineered for efficient operation and dependable service. So whatever your agri-transportation needs, Eby equipment satisfies the demands of your business.
