

# FAIR DAYS

From the left, 1992 Lebanon County Fair Queen Allison Martin presents a plaque to the 1992 Lebanon Area Fair leadline competition winner Jamie Irwin and runnerups, from the left, Alice Smith, Lee Brandt, and Leah Bomberger.

The petting zoo at the 1992 Lebanon Area Fair proved popular with all ages, especially among those getting a first experience with live animals.

## L-455 COMPACT AND MANEUVERABLE

A low center of gravity and a compact design make the New Holland Model L-455 one maneuverable skid-steer loader. It turns smoothly in its own length and maneuvers easily under six-foot overhangs and doorways. The "L-455" is quick. Powered by a 28.5 horsepower, Kubota diesel engine, the "L-455" has a 1,200-pound SAE operating load. Faster cycle times speed up loading and unloading. Stop in and see how good a skid-steer loader can be.
