TIOGA

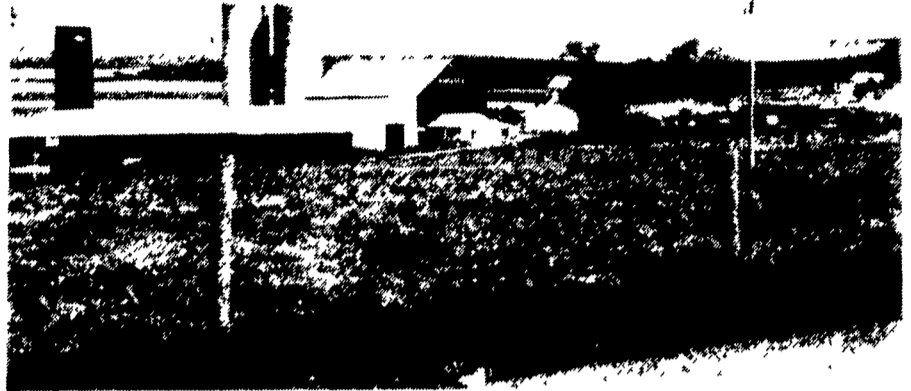

Jenkins, Pazzaglia Farm

Lester Jenkins and son-in-law and daughter Fred and Jean Pazzaglia farm 600 acres 10 miles east of Mansfield in Tioga County. This new Dairy of Distinction has 200 Holsteins that include 150 milk cows that average 20,000 lbs. of milk. The farm has been in the family since 1873. They keep the cows in tie stalls and use their acreage to grow corn and hay for the dairy herd. Lester is retired but still helps in the barn and around the farm when he can.

VENANGO

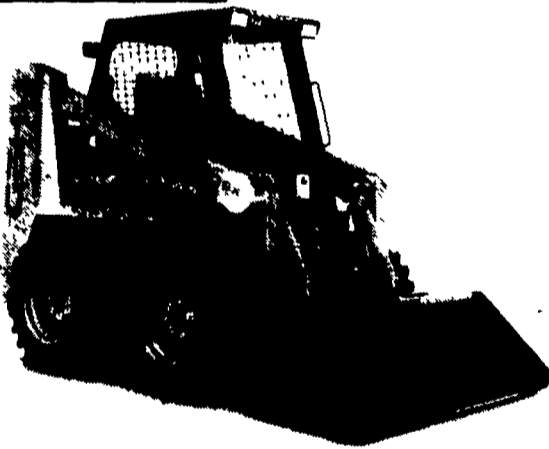

Rhoades Farm

Richard and Martha Rhoades started their dairy farming operation with nine cows back in the '40's. Now they have 335 Holsteins with 160 milk cows that average 21,376, 665p. Their son David is the herdsman, and two daughters, Ann Cheers and Elaine Anderson, help with the milking from time to time. The farm operation covers 1000 acres of corn, oats, wheat and hay. They are located north of Emlenton in Venango County near the Clarion County line.
