MAXXUM

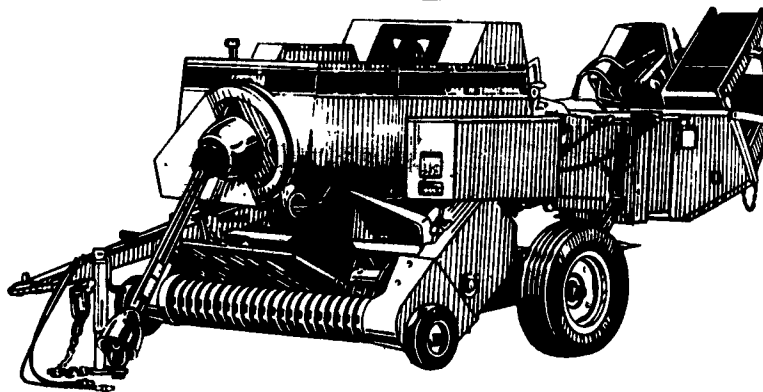

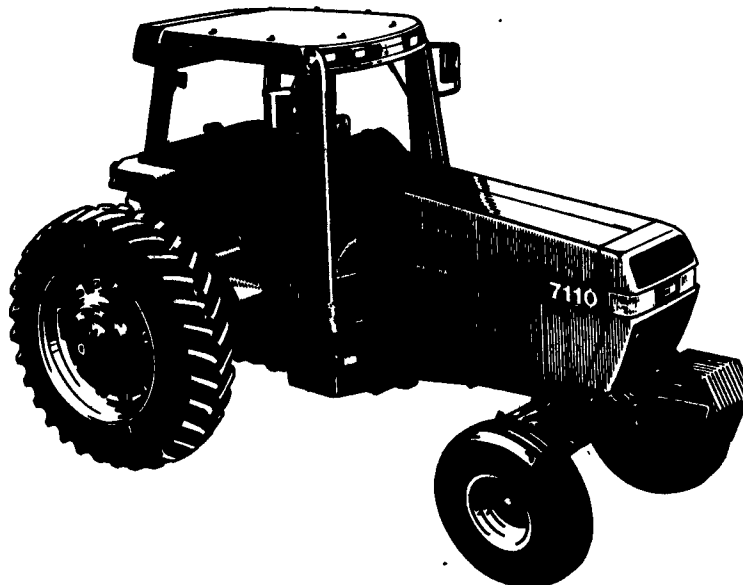

Three years ago, Case International MAXXUM® set new standards for mid-size tractors. With the introduction of the 5200 Series, those standards have been raised even higher.

You wanted more visibility; we added exclusive all-glass doors. You asked for easier implement attachment; we responded with ground-level hitch control. You wanted more muscle; and we increased horsepower and durability.

Leadership never stands still, and the MAXXUM 5200 Series is still the best in the business.
