MAGNUM

Five years after their introduction, MAGNUM™ tractors continue to set the standards by which 100 plus horsepower tractors are judged.

This kind of leadership does not come easily. It's the result of years of researching your needs and requirements. Followed by more years of development and testing.

You asked for engine performance and efficiency, full powershift transmissions,

responsive PFC hydraulics, and operator comfort.

And you have it. It's called MAGNUM.

- 7120 MAGNUM**
- 150 PTO Horsepower
 - 18-Speed Full Powershift
 - 10,040 Pound Hitch Lift Capacity
 - State-Of-The-Art Cab
