HARRISBURG (Dauphin Co.) — The Pennsylvania Dairy Promotion Program is seeking nominations for its Commodity Marketing Board.

The purpose of the Program is to promote the consumption of milk and other dairy products and to facilitate appropriate research. The Commodity Marketing Board has the authority and responsibility to manage the Program and disburse marketing funds. Currently, 21 members serve on the Board, and the terms of six members are scheduled to expire on Sept. 30.

Board members will be selected by State Agriculture Secretary Boyd E. Wolff from nominations made by producers and dairy-related organizations, associations, and cooperatives representing dairy farmers throughout Pennsylvania.

New appointees to the Board will serve three year terms. Board members are expected to attend regular board meetings and participate in other dairy-related functions.

Nominees must be active in the production of milk, including, but not limited to, representatives of

milk cooperatives and farming associations, producer-handlers of milk or an independent dairy farm.

In addition, the appointees are expected to contribute their dairy promotion assessment to the Pennsylvania Dairy Promotion Program.

The deadline for submitting nominations is August 27. Nominees' names and addresses should be submitted to the Pennsylvania Department of Agriculture, Bureau of Market Development, 2301 N. Cameron St., Harrisburg, PA 17110-9408.
