

JEFF & SHIRLEY

BURDETTE

Mount Airy, MD

Jeff and Shirley Burdette along with their daughters Ashley and Brandi, operate Ash-N-Bear dairy near Mt. Airy in Frederick County Maryland. The Burdettes grow corn and alfalfa to provide quality forages for the dairy herd and replacements. In addition soybeans are raised as a cash crop. Everyone is involved in the daily chores at Ash-N-Bear dairy.

Corn silage, alfalfa hay and haylage are combined with Test Cow B22 FF checkers in their TMR ration. Cows producing in excess of 60 pounds of milk are fed Maxi Tech 24 checkers as a topdress. The herds present rolling herd average is 17,984m, 3.58% 643f, 3.17% 571p.

In December 1992, Jeff and Shirley decided to try Purina feeds from H.C. Summers in Jefferson Maryland, since then the results have been very profitable. Feed costs per hundredweight of milk shipped to the dairy has decreased while production is increasing. Body condition of the herd has also improved along with higher peak milk production during the first critical weeks after calving.
