Producer Comments:

- Milk special is just a nice feed. It's consistent and cows clean it up better than anything I've tried
- Tried a cheaper feed but we lost milk & money
- We started top dressing Purina Ultimate EXT 32 two weeks ago and are very interested to see how we can do with it.

- We really appreciate the dedication our Purina salesman shows; he's there when we need him and looks out for our interests.
- Herd health has been good (knocks on wood) Haven't had a D.A. in a year and a half.

* Bob left the Purina Milk Special Program in an attempt to reduce feed costs. Losses in milk value greatly exceeded cost savings.
