

Challenge Of The Breeds Featured Again

HARRISBURG (Dauphin Co.) — The Friday evening program is being planned for the 1993 Keystone International Livestock Exposition to be held September 30 - October 4 at the Farm Show Complex in Harrisburg. This event, the "Challenge of the Breeds", will pit four internationally recognized horse breeds, the Appaloosa, the Arabian, the Paint, and the Quarter Horse, against each other in an evening of fun and mastery. The animals, two from each breed, will be chosen by their respective breed associations. In order to compete, the horse must be owned by a Pennsylvania resident. The event is sponsored in part by the Glatfelter Insurance Group.

The six events in which each horse will be entered include:

A. Pleasure Driving - Horses are asked to perform both ways at a walk and trot.

B. English Pleasure - In English tack, horses will perform both directions at a walk, trot and a canter.

C. Hunter Hack - In addition to performing on the rail, the horse will be asked to take two jumps.

D. Western Pleasure - In western gear, the horse will walk, jog, and lope in both directions.

E. Western Riding - The horse performs a prescribed course which demonstrates the performance of a well-mannered ranch horse.

F. Barrel Racing - A timed event in the clover-leaf pattern is performed by the horse.

The horses will be judged at each of these events on a point system by a qualified judge. The winning horse will receive the distinction of being the Keystone Sovereign Champion and will receive an award of \$1,000. The Reserve Champion will be awarded \$500. Placings will be paid through eighth place.

This marks the fourth time that a "Challenge of the Breeds" event has been held in Pennsylvania. The Draft Horse teams will also perform in competitive classes during the evening. Over twenty-five different teams are expected to be in competition.

The various breed associations are in the process of looking for "outstanding" horses. The horses not only must rate high in confirmation and performance, but must

be very versatile.

The event will take place on Friday evening, October 1, in the large arena of the Pennsylvania Farm Show Complex. It will begin at 7:00 PM. There is no admission fee for this event or for any part of the Keystone International Livestock Exposition.

tional Livestock Exposition.

The Keystone International Livestock Exposition is sponsored by the PA Livestock Association in cooperation with the PA Department of Agriculture and the PA Farm Products Show Commission.
