Plant them for the Performance

Buy them for the savings

If you're looking for big performance from a late maturity hybrid, it's tough to beat Funk's G[®] brand 4624 or 4671. And now there's a way to get that performance at substantial savings.

You'll save \$330 when you buy 24 units of each in our 48-unit Performance Pak[®]. Or save \$50 when you buy six units of each in our 12-unit Trial Pak[®]. Either way, you'll get two of our best hybrids for yield, standability, drydown and all-around performance.

Find out how you can get big hybrid performance at big savings. Ask your local Hoffman sales representative today. Or call: **1-800-776-7929**

4624

Relative Maturity: 118 days

- ◆ Consistent performance. Produced 203 Bu/A in Sussex County, Del. in a 1992 field check
- ◆ Outstanding silage quality for superior milk production
- ◆ Solid performer even under drought and in increasing populations
- ◆ Resistant to Southern Corn Leaf Blight

4671

Relative Maturity: 120 days

- ◆ Unmatched silage yields and quality in a 120-day hybrid
- ◆ Consistently tops independent competitive plots for Group 6 hybrids.
- ◆ Good test weights and grain quality
- ◆ Excellent response to high yield environments
