

NORTHEAST AGRI SYSTEMS, INC. Invites YOU

To Attend The

**Wednesday, Sept. 29, 1993
and Thursday, Sept. 30, 1993**

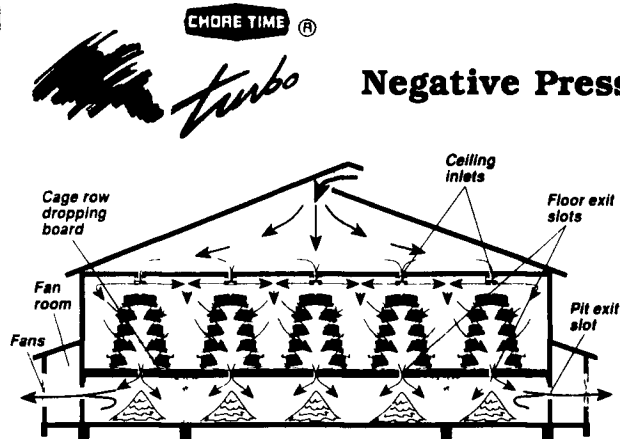

12 Noon to 5:00 PM

Lancaster Host Resort • Lancaster, PA

FREE ADMISSION!

Our booth will be packed with the newest concepts for building or modernizing Cage houses, Broiler houses and Turkey houses.

SEE ON DISPLAY:

CHORE-TIME Turbo Negative Pressure House

See a Chore-Time TURBO ventilator system and learn how it provides year round, even temperatures, end to end - side to side - tier to tier and at the same time dries manure to a dusty - fly resistant - product!

CHORE-TIME

Chore-Time Pullet cages with Ultraflo feeding. The system with the feeder outside the cage which reduces labor, mortality and feed waste.

CHORE-TIME

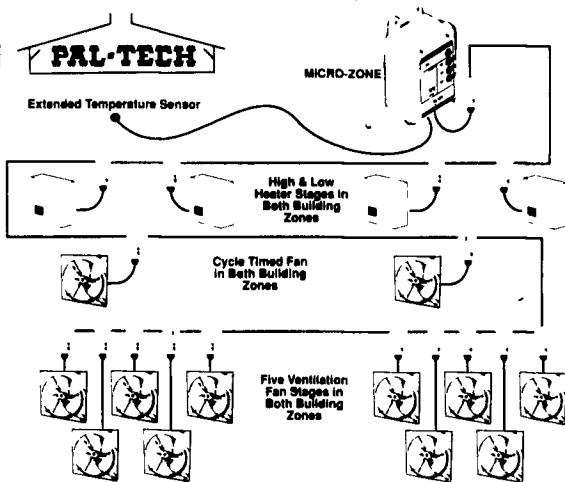

Cage Systems offers a new basket-type collector known as the ULTRA-LIFT™ Egg Collector which features a one-piece basket designed to gently handle all egg sizes, from jumbo to pee-wee. Before entering the collector, eggs are swept off the egg belt onto rod-link belts to allow dirt, feathers, soft-shell eggs and other debris to fall through, eliminating dirt build-up in the collector. The baskets handle one egg at a time to reduce chances for egg shell damage, and eggs can be taken off the ULTRA-LIFT at any height.

New collector

CHORE-TIME

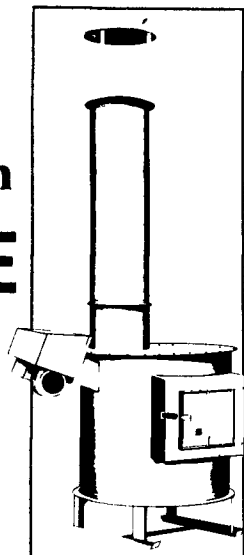

Chore-Time's C2 and H2 feeders for broilers and pullets...Grilled and Grilled - The Feeders With Windows!

Control 1 floor with 2 zones or 2 floors with 1 zone for \$999! (price includes Micro-Zone Model 2 with 300' extended sensor and 16 power modules)

Install it yourself because it uses your existing AC wiring
