

Plummer's Jersey Wins Supreme At Montgomery 4-H Show

CREAMERY (Montgomery Co.) — Amy Plummer, of Chalfont, showed the supreme champion of all dairy breeds at the recent Montgomery County 4-H Dairy Show, held at the county 4-H center in Creamery.

A total of 41 animals representing six dairy breeds were exhibited by 15 members of the Montgomery County Dairy Club. Matt Warner, of Narvon, was judge for the show.

Plummer has been a consistent exhibitor of Jerseys in 4-H and at local shows in the southeastern region of the state. Her junior 3-year-old not only garnered top honors for Plummer, but a gallon of milk was later sold at auction to Rosenberger's dairy for \$375 during the county market animal sale.

Junior supreme animal of the show went to a Brown Swiss shown by Katie Sterner, of Bechtelsville.

Of the Holsteins shown, Karen Wolfgang, of Bechtelsville, showed the Holstein grand champion, while Denise Longacre showed the reserve grand champion.

The junior champion Holstein

was shown by Alan Seipt, of Lansdale, and Lizzie Moser, of Gilbertsville.

In the Ayrshire breed, Seth Wolfgang showed the grand and reserve grand champions, and the junior champions:

In the Brown Swiss breed, in addition to Sterner's grand champion, she showed the reserve grand champion and the junior champion, while Jonathan Sterner showed the reserve junior champion.

In the Guernsey breed, Karen Wolfgang showed the grand and reserve grand champions, and the junior champions.

In the Jersey breed, Amy Plummer showed all the champions, except for the reserve junior champion, which was shown by Danielle Breaux, of Salford.

Breaux also showed the grand champion Milking Shorthorn, while Lizzie Moser showed the reserve grand champion and the junior champions.

In the fitting and showing competitions, Lizzie Moser won junior fitting and reserve showmanship, while Christine Michalik won

reserve junior fitting and the junior showman award.

In the senior-age competition, Seth Wolfgang won top honors in fitting, while Karen Wolfgang was

named reserve champion fitter.

Amy Plummer was named champion showman of the senior-age youth, while Paul Plummer was named reserve champion

showman of the group.

For more information on Montgomery County's 4-H dairy program, call Tim Fritz, extension agent, at (215) 489-4315.

The junior champions of the Montgomery County 4-H Dairy Show are shown by, from the left, Diane Yoder, county dairy princess, Katie Sterner with her Brown Swiss; Amy Plummer with her Jersey; Lizzie Moser with her Milking Shorthorn; Karen Wolfgang with her Guernsey; Alan Seipt with his Holstein; and Seth Wolfgang with his Ayrshire.

Reserve grand champions of the Montgomery County 4-H Dairy Show are shown by, from the left, Diane Yoder, county dairy princess; Denise Longacre with her Holstein; Katie Sterner with her Brown Swiss; Seth Wolfgang with his Ayrshire; Amy Plummer with her Jersey; Karen Wolfgang with her Guernsey; and Lizzie Moser with her Milking Shorthorn.

Pricing Leads Fall Meeting Discussions

STRONGSVILLE, Ohio — Pricing Structures, long-range marketing plans, production trends, and new international alliances will be discussed at Milk Marketing Inc.'s (MMI's) District 3, Local 1, 2 & 3 annual local membership meeting on Tuesday, October 5.

The 10 a.m. meeting will be held at Seven Springs Resort, Champion, Pa.

"MMI has made some difficult decisions in this past year," said Don Schriver, executive vice pre-

sident and chief executive officer. "And members, as always, will want to discuss these tough decisions. That's the biggest reason for the meeting. It's MMI's chance to share directly with members, offer them an overview of MMI's past year, and ask them how can their marketing association do a better job on their behalf."

Following the management presentation, MMI Director Tom Croner, Berlin, Pa., will review the board activities.

WE THINK UNIVERSAL'S TIDAL FLOW CLAW CAN TELL ITS OWN STORY BETTER THAN WE CAN.

I'LL WORK ON YOUR COWS FOR 30 DAYS AND SHOW YOU JUST EXACTLY HOW GOOD I AM AND IT WON'T COST YOU A DIME.

This new, high-capacity, durable and competitively priced claw is a far cry from where we started. We had a few disappointments that sent us back to the drawing board. The frustration of being close, but not close enough.

These new milkers are different from any other on the market today. Enlarged inlets and a larger chamber design handle increased capacity and improve vacuum stability.

But instead of just telling you how good we think the Universal Tidal Flow Claw is, we'll give you a 30-day free trial. We'll install it and show you how to operate it. If you're not satisfied, we'll remove it, replace your old equipment and it won't cost you a dime.

The claw says, "I'll put up or shut up. Just give me a chance to show you what I can do for you." Why not give him a chance? Contact your Service Center nearest you today.
