NEW AT BINKLEY & HURST BROS. FROM SUNFLOWER:

**MODEL 4010/4110**

**SUNFLOWER**

COULTER RIPPER

Conservation Tillage Equipment Built **SUNFLOWER Tough!**

Sunflower's Coultter Ripper is for today's conservation minded farmer demanding deep tillage with minimal residue disturbance. These durable machines feature adjustable front mounted coultters on 7 1/2" centers. The coultter blades have an added advantage of slicing hard ground to keep clod size to a minimum. The V-bar ripper design gives added trash clearance and pulls smoother than straight-bar rippers. These coultter rippers are built Sunflower tough and no ballast is added to the frame increasing the structural strength. Check out Sunflower's latest edition to its growing family of quality tillage equipment at a farm show or dealer near you.

Adjustable Coultter Gangs: The 4010/4110 both feature adjustable coultter gangs that can be raised completely in clean ground. Ratchet Jack Adjustment is standard equipment. Optional Hydraulic Gang Adjustment makes on the go changes or raising the coultters completely out of the way an easy task from the tractor seat.
