**Make A Few Good Turns For The Herd**

The benefits of Silo-Matic's TMR Mixer are well documented. Including improved herd health, increased milk production, and less labor. But there's more. Like a large capacity stainless steel paneled drum. Six foot wide **easy loading** hopper. Long life exterior auger bearings. And a control-flow system for adjusting the discharge rate. There's even a standard beam scale or optional digital scale for **ration accuracy**. So why wait? Give a few good turns for the herd with a Silo-Matic TMR Mixer.
