Best in the Country

For rough duty, rougher weather:
Rugged, practical, cost-efficient
Centurydrain™ roofing and siding.

Centurydrain is the roofing and siding to
use for a strong, tight structure that'll
carry you through the years of heavy snows,
driving rain, and ripping winds.

Wheeling Centurydrain is pure practicality:
full-hard, high tensile steel; galvanized
for toughness, durability, and rust resis-
tance; and with an exclusive drain channel
for a dry, snug interior.

Handsome appearance, too: bold shadow lines
and a choice of rich, baked-on colors. The
best in the country is right here. Stop by.
