ADC Meets Farmers' Needs More Than \$129 Million in Extra Payments

"At Atlantic Dairy Cooperative, our mission is to maximize returns to members. In the past six years, we returned more than \$129 million to members in equity payments, over-order premiums and quality bonuses. That's an average of \$36,600 per member. And these extra dollars are continuing at the rate of \$1.7 million a month.

Robert B. McSparran
President

"When non-members ask me why they should belong to Atlantic Dairy Cooperative, I am happy to report that we are financially healthy, strong in membership and growing in sales. ADC is the region's largest and most fiscally-sound cooperative, with a guaranteed market and outstanding benefits.

"More dairy farmers joined us last year than at any time in the past decade. If you are not an ADC shipper and are worried about your own milk market, then you should talk to the cooperative that is facing the future with confidence."
