

ROLLING ON... IN THE 90's

MEETS THE CHALLENGE

## P-SERIES & X-FOLD PULVERIZERS

crush clods and firm the soil for better contact between seeds and soil.

Brillion has manufactured Pulverizers since 1895 and dominates the market today. Part of that success is because the roller wheels are made in Brillion's own modern foundry. That gives Brillion a big advantage in quality and price.

There's lots more reasons to buy Brillion...stop in and we'll talk.

### P-SERIES SINGLE GANG PULVERIZERS 10' TO 16' WIDTHS

#### Pull Type Pulverizers

Brillion Pulverizers crush clods and firm the soil for better contact between seeds and soil.

#### PDT-14' Pulverizer In Transport Position

This concept of transport is new to the industry. Machine weight is rotated over the tires for transport which considerably reduces the drawbar hitch weight.

- Both model pulverizers offer choice of 20" ductile iron wheel (which carries a 5-year limited warranty), 20" notched rollers, 20" crowfoot, 18" smooth, 16" notched or 15" smooth wheels with sprockets.

### X-FOLD PULVERIZERS

Available With 20" Ductile Iron Wheels And 5 Year Limited Warranty

Available with optional electronic control and digital temperature display, Century Series coolers offer 14 models for every size farm with capacities now ranging from 600 to 8,000 gallons. Century Silo Tanks are also available up to 15,000-gallon sizes for commercial operations.

## Milk Cooler Maximizes Energy Efficiency

KANSAS CITY, Mo. — Alfa Laval Agri introduces the new 8,000-gallon Century™ Milk Cooler to their full line of energy efficient Century Series coolers.

Alfa Laval Agri's experience in milk cooling has been combined with the latest heat transfer, insulation, and high-efficiency refrigeration technology to create an energy efficient milk cooler with a wide range of sizes.

Available with optional electronic control and digital temperature display, Century Series coolers offer 14 models for every size farm with capacities now ranging

from 600 to 8,000 gallons. Century Silo Tanks are also available up to 15,000-gallon sizes for commercial operations.

The 8,000-gallon Century Cooler holds up to 69,000 pounds of milk and has an in-tank cooling rate of 650 gallons per hour (GPH). All coolers carry a five-year warranty.

Century Milk Coolers, including the 8,000-gallon model, are available through Alfa Laval Agri's network of more than 300 independent Alfa Laval Agri dealers.
