1845C Uni-Loader®
Skid Steer

56 HP Case -
Cummins
Diesel
Powered

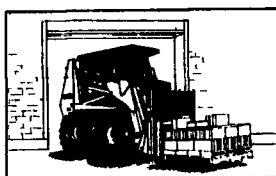

Born on the construction site.
Raised on the farm.

The 1845C
Uni-Loader®
Skid Steer

The Case 1845C Uni-Loader® skid steer delivers an unbeatable combination of performance advantages for handling the toughest jobs. You have agility and responsive hydraulics that produce a 4690-lb. bucket breakout force — all powered by the proven, fuel-efficient Case 56 hp diesel. You cycle faster, too, with our simultaneous travel, raise and dump functions. And with a 1700-lb. rated operating load capacity, our top-of-the-line 1845C simply has no equal for bottom line results.

- Low-effort, two-lever hand controls — no pedals.
- Monitoring system keeps tabs on vital machine functions.
- Roll-out ROPS provides easy access to major components.
- Separate oil systems for hydraulics and chains keep oil cleaner — reduce maintenance.
- Case Coupler for fast attachment change.

See us for 1845C productivity, attachments, one-stop service and flexible financing programs.

There's nothing more important to a crop than early, even emergence. To get it, you need accurate, even seeding.

The 5300 has earned a reputation for its seeding precision, a function of its exclusive feed cup design and dependable disk openers. And, to improve placement of seed, the opener drawbars are heavier than on previous models. Press wheel and opener bearings are heavier for long life operation.

Along with accuracy, the 5300 gives you fast, high capacity seeding, so you spend less time refilling hoppers.
