**CHAMBERSBURG** (Franklin Co.) — For the second year, Franklin County 4-H Beef Club member Spencer Walk of Chambersburg, determination and hard work paid dividends as his 1,270 pound Angus-Chianina crossbred steer became grand champion under the watchful eye of Dr. John Comerford.

Comerford praised the steer for his wide loins, smooth finish, and thick quarters at the annual beef show. Spencer also placed first in fitting and showing in the senior division. The grand champion was purchased that evening at the 4-H Beef Sale by Hoss's Steak and Sea House for \$3.10 a pound.

Crystal Meyers of Greencastle won the reserve grand champion honors with her 1,240-pound crossbred steer, which was purchased by Chambersburg Farm Service for \$2.25 a pound. Crystal also won the champion fitting honors.

Lightweight champion honors went to Brad Rife of Greencastle with his 1,160-pound Limousin steer, which was purchased by McDowell Insurance for \$1.04 a pound.

Tim Mackey of Waynesboro won the medium heavyweight division with a 1,205-pound crossbred steer, which sold for 87

cents a pound to the Butcher Shoppe.

Jordan Connor of Chambersburg took home three blue ribbons as he won the heavyweight division with a 1,340-pound crossbred steer, which was purchased by Four Seasons Crop Care for 96 cents a pound. Jordan placed first in the fitting and showing competition in the novice age group. His brother, Justin, won the same hon-

ors in the intermediate division and was selected champion fitter overall.

First year member Ariane Rife won first in fitting in the junior group.

Again this year, Hagerstown Block purchased a steer and donated it to the Emanuel Children's home in Maugansville, Md.

## AGCO ALLIS 5600 SERIES TRACTORS

### UTILITY VERSATILITY

The AGCO Allis 5670 and 5680 utility tractors offer fuel efficiency, reliable drawbar and PTO power, and excellent maneuverability in the 63-72 PTO hp range. They're also backed by a 4-year/4,000-hour warranty.

- **Air- and oil-cooled diesel reliability.** The 4-cylinder, air- and oil-cooled diesel engine delivers 63 PTO hp in the 5670 and 73 PTO hp in the 5680, both with a 22% torque rise. It also eliminates components that cause downtime in liquid-cooled engines. Plus, it is among the best in fuel consumption tests.

- **Lots of speed choices.** The synchropower transmission with synchro-reverser offers 12 forward and 12 reverse speeds, planetary final drive and a self-adjusting, hydraulically-actuated clutch. The optional transmissions include 16 forward and 16 reverse with creeper speeds and a dual-speed of 24 forward and 12 reverse speeds. Both tractor models are available as either 2WD or AWD.

- **PTO power to do more.** The independent PTO operates at 540/1,000 rpm with 6- and 21-spline shafts and a hydraulically-actuated wet PTO clutch. The Category II/13-point hitch has a convenient rear remote control and is equipped with telescopic stabilizers. Optional telescopic lower links are available.

- **Quality features put you in control.** The 5600 Series tractors ride on premium Goodyear® radial tires. They have hydrostatic power steering, hydraulically-actuated wet disc brakes, and a mechanically-actuated differential lock. AWD models have four-wheel brakes for 40% better braking and an operator controlled front differential lock for tighter turns.
