Seedling Cost-Sharing Available

SPRING GROVE (York Co.)
— Now is the time to plan for tree planting to be done in the spring of 1994.

The Glatfelter Pulp Wood Company will once again share the cost of tree seedlings with interested landowners.

Since the inception of the company program in 1951, more than 19 million seedlings have been furnished to landowners in these southcentral Pennsylvania counties: Adams, Berks, Cumberland, Dauphin, Franklin, Fulton, Huntingdon, Juniata, Lancaster, Lebanon, Mifflin, Northumberland, Perry, Schuylkill, Snyder, and York.

Glatfelter will cover up to one half of the cost of seedlings ordered by nonindustrial landowners. Tree seedlings available under this year's program include Virginia pine, Japanese larch, white pine, red pine, white spruce, and Norway spruce. All seedlings are furnished by the Pennsylvania

Department of Environmental Resources. Orders will be filled on a first-come, first-served basis.

The Glatfelter Pulp Wood Company imposes no restrictions of any kind, but landowners must comply with state regulation regarding the planting of these trees. Pennsylvania regulations include:

- Trees may not be used for Christmas trees, decorative or ornamental uses, or for windbreakers.

- The minimum acceptable order is for 500 seedlings which will plant three-quarter acre.

- All trees become the property of the landowner who may harvest them at a future date for any wood product.

For information about placing your order, see your local county agent, your Bureau of Forestry district office, or write directly to The Glatfelter Pulp Wood Company, Spring Grove, PA 17362, (717) 225-4711.
