**THINK BIG!**

**LOAD...UNLOAD FASTER AND EASIER**

When you're working the big loads you need the Super Boom advantage—extra reach. With more forward dump reach you can center load-your largest spreader from one side so you get an even load. The result: faster loading, fuller loads and easier unloading. With level bucket lift you load more and lift higher. . . with less spillback. And, with a longer wheelbase there's more stability and safety. Find out how good a skid-steer loader can be. Stop In And See The New Model 785

**STRONG BOXES**

**DEPENDABLE PERFORMANCE**

Year after year it's made New Holland No. 1 in North America.  
• Worm gear drive transfers power smoothly to the apron.  
• T-rod apron chain operates with less initial wear and no slacking.  
• Bonded Protection 12-year warranty on floors and sides. If the polyethylene floor fails or the sides rust, we'll replace them. Free.  
Stop by today to see the New Holland "155" spreader.
