NEW IDEA

We at Meyers Implements, Inc. have strived for many years to bring our customers the best products available. While one eye was fixed on the goal of providing quality products, the second was looking out for affordability. As a result, we have assembled the highest quality products available on the market and because of our dual commitment we can offer them at the most competitive prices.

As an extension of our commitment, our fully-stocked parts department and award-winning service department stand ready to serve. So before you are disappointed by buying somewhere else, give us a call.

Satisfaction is what we sell!

## CAPACITY KING

## THE BIGGEST

The New Holland Model 195 box spreader is up to your biggest spreading job.

- **Capacity.** The "195" takes on 410 bushels (440 cu. ft.) without finching.
- **Strong construction.** Corrosion-resistant steels last and last. And an HDPE floor means smooth unloading, even in cold weather.
- **Bonded Protection warranty.** If the polyethylene floor fails or the sides rust, we'll replace them free for 12 years.
- **Fast clean out . . .** even with this big-capacity strong box.
- **Large tandem oscillating wheels.** Allow faster ground speeds in rough terrain, with less ground compaction.

Check out our biggest New Holland spreader . . . from the biggest name in spreaders.
