"Farming is a big investment..."

Time is valuable. An equipment breakdown in the field, delayed supplies, or sudden weather changes mean lost dollars, without quick reaction. Our GE mobile radio system gives us greater control and coordination over our operation. It's a farmer's friend."

Roger C. Garber
 James M. Garber & Sons

Why are farmers turning to mobile radio? During planting and harvesting your farm and equipment need to be operating at full potential. General Electric Mobile Radio Systems provide quick, cost effective communications from home or field. It's like having another "farm hand" to help with the chores.

Dreamfield Manor 960 Acre Country Estate

Just 35 Miles from Philadelphia

A rare opportunity to own a beautiful private valley. This one of a kind farm features a traditional English Manor entryway to the main set of buildings passing between the gate house and stone bank barn and over 2 stone bridges to an exquisite stone manor house circa 1703, with 6 bedrooms & 3 huge stone fireplaces. There is also a large Federal brick manor house. In total there are eight farm houses, four of which are stone, and two large stone bank barns. The land consists of gently rolling fields, woodland, and a beautiful stream valley. This farm has excellent potential for equestrian activities such as fox hunting or combined training. Secluded yet close to a PA Turnpike interchange and Interstate 78. (the owner may consider dividing) \$6.5 Million Call for brochure
