

FFA To Present Keystone Degrees To 204

(Continued from Page F36)

Neil Wenger

Seventeen-year-old Neil Wenger of New Holland is the son of Melvin and Betty Wenger.

For four years, he has been active at Garden Spot High School's Grassland FFA Chapter. Projects included guineas, steers, and work experience. He has served on committees for SAE, BOAC, and scholarship.

FFA achievements include second chairman, chairman of BOAC sub committee, fourth place in aquatics at Penn State, and he participated in the poultry contest at Penn State.

After high school graduation, Neil plans to work a few years and then go to a trade school for electronics or mechanics or in mission work.

ter parliamentary procedure team. In June, she earned a silver medal award for a state meat judging contest.

Records kept on her supervised agricultural experience programs of sheep breeding, lamb, and swine finishing have earned recognition on both county and state levels. Northeast Farm Credit has also given awards to Laurie at county and regional levels.

Chapter awards have been for Star Greenhand, Star Chapter, Star Chapter Agibusiness, sheep proficiency, chapter leadership, and public speaking. Laurie has been fitting and showing prize-winning sheep and swine at the Tioga County Fair in both junior and open shows.

Laurie is the Tioga County Maple Sweetheart. She has been a member of the school Envirothon team, the Leo Club, SADD Club, yearbook staff, and student council.

She plans to run for state FFA officer and study agricultural education or agriculture business and communications.

ference, area and state cooperative council program, county floriculture contest, Food For America Program, and community service projects.

Susan is the Blair County Dairy Princess, plays on the tennis and softball teams, is a member of the Future Teachers of America, the school newspaper staff, and is a school tutor.

Susan plans to pursue ag business accounting at either Penn State or Altoona School of Commerce.

Tracey Willwert

Tracey Willwert is president of the Red Lion Area FFA. Previous held offices include chapter and county reporter, secretary, and president.

She has earned degrees in Greenhand, Star Greenhand, White Rose, Star White Rose, and Chapter for her projects in beef, swine, and sheep finishing and breeding.

Tracy received awards at York Fair for livestock judging, swine showmanship and fitting, market hog, sheep showmanship and fitting, market lamb, sheep breeding, and for hay, corn, oats, wheat, and project exhibits. Other awards include county and state horse judging, state project book contest, county livestock judging, county project book, Pa. Farm Show market lambs, Outstanding FFA Girl of York County, diversified livestock foundation, Michael Spangler, and swine proficiency foundation.

Committee memberships include citrus, FFA week, recreation, banquet, seed sales, calendar, scrapbook, chapter gilt, and bul-

letin boards. She has been active in All American dairy judging, Keystone livestock judging, SLLC, county recreation meet, AY Leadership Training Conference, and FFA midwinter convention.

Tracey plans to attend a two-year business school, get married, and live and work on a dairy farm.

Greg Wilson

Greg Wilson lives with his parents Mr. and Mrs. Gordon Wilson of Rome. The 18-year-old is active in the Northeast Bradford FFA Chapter for the past four years.

He has earned Greenhand, County, Area, and Keystone degrees for his on-farm work experience and for production agriculture.

Greg plans to take over the family farm.

James A. Wilson

Member of the Garden Spot FFA, Lampeter-Strasburg, James Wilson is the son of James and Ruth Wilson of Strasburg, Lancaster County.

James has been student advisor for his FFA chapter and chairman of the hunting chart and the hunting safety committees.

He has also served on the banquet, corn plot, and fair food stand committees. In

Laurie Janine Wildman

Seventeen-year-old Laurie Janine Wildman is the daughter of Edward and Loretta Wildman of Westfield, Tioga County.

At Cowanesque Valley High School, Laurie is active in FFA and has been named the Star Agricultural production person for the northcentral region.

Laurie, a senior, is serving her local and the county chapter as FFA president. She previously served as vice president at both levels as well as the chapter reporter.

Laurie has attended leadership development conferences sponsored by both the state and national FFA, as well as the Collegiate FFA Chapter of Penn State. She has participated in creed speaking, conservation, and FFA prepared speaking contests at the county, area, region, and state levels. Laurie has also been a member of the chap-

Susan Willey

As a member of Central Cove FFA at Central High School in Blair County, Susan Willey serves as president and was a former secretary.

The 18-year-old daughter of Merl and Ruhama Willey of Martinsburg, Susan achieved the area Star Award in production, the Agway recordkeeping award, and several project book awards at county and area levels.

She participated in the creed speaking contest, budget committee, land judging, swine finishing, goat breeding, on-farm work experience, off-farm work experience, and a dairy heifer project. She has won numerous county, area, regional, and state public speaking contests. She attended the National FFA Convention in 1993, the state legislative leadership con-

Give Your Soil\$ A Boo\$t With Aer-Way

PATENTED AERATION TECHNOLOGY

Surface aeration with the Aer-Way® helps make lifeless soils productive. One pass in the fall boosts aerobic activity and starts the decomposition process. Another pass in the spring incorporates fertilizer while balancing air and water levels in the seed zone. The results are better stands, more efficient nutrient uptake, and effective erosion control - all from minimum horse power requirements. Models up to 24' wide feature bolt-on tines and optional chain harrows. For more information, call:

1-800-228-8032

Aer-Way building the future by preserving our soils today!

IMPORTANT BENEFITS FOR

- Crop Residue Management
- Hay & Pasture
- Intensive Grazing
- Manure Management
- Orchards & Vineyards
- No-till

Optional Chain Harrows

Standard Bolt-On Tines
