 Space #'s 243-250

## Woods family tree

Today's Woods line has branched out to include over 50 proven products... all rooted in the same tradition of innovation, quality, value and service that began when we introduced the first tractor powered rotary mower in 1947.

Engineered and manufactured at our plant in northern Illinois, Woods mowers, cutters, scraper blades, backhoes and other specialty products are known for superior performance and rugged reliability.

They're the first choice of commercial users, farmers and home owners when quality, value and service count most.

OREGON, ILLINOIS 61061
