

SCRAPE, DIG, PULL, LOAD, MOW AND MORE

Estate owners, landscapers and farmers will appreciate the Kubota B-50 Series' wide choice of handy implements.

These include mid and rear mount mowers, front loaders, boxscrapers, backhoes, posthole diggers, snowblowers, even rotary tillers.

Kubota's remarkable B-50 Series compact tractors come with mid and 2-speed rear PTO. Optional Hydrostatic transmission. From 17-24 HP.

Kubota's optional "Bi-Speed Turn" system allows smaller and precise turns in 4-Wheel Drive, which makes mowing, and even loading more efficient.

Reverse air flow cooling directs radiator heat away from the operator for a comfortable, quiet ride. Low piston speed extends engine life.

The Kubota B-50 Series. Versatile compact tractors.

THE TRACTOR FOR EVERY SEASON

Kubota's G-Series Garden Tractors work hard for you year round.

They are quick-starting with an easy-to-use hydrostatic transmission and cruise control. A choice of implements provides the G-Series with year-round versatility. In spring, a rotary tiller can help

prepare your garden for planting.

Later in the year choose from shaft drive mid-mount, quick attach mowers from 48-60 inches wide. A grass catcher lets you breeze through those summer chores almost effortlessly.

When cold weather comes along, equip your Kubota with a two-stage snowblower and rear tire chains.

Optional 4-wheel steering and 16-21 HP liquid cooled engines are designed to keep your Kubota in operation for many seasons to come.

The Kubota G-Series garden tractor—make it your tractor for every season.
