**BRANDED**

Quality means **HARVESTORE® BRANDED** parts combined with authorized dealer service.

HARVESTORE BRANDED™ quality goes beyond words. It's performance day after day. It's strict adherence to rigid specifications. It's the perfect meshing of gears for optimum efficiency.

Your equipment can tell the difference. Inferior parts wear out sooner and make management inefficient.

And the wrong service often means long delays that end up costing you more in the long run.

Your authorized independent Harvestore Systems dealer has access to factory bulletins, up-to-date parts lists, and upgrade kits. NO ONE ELSE does! He's the ONLY place for genuine warranted HARVESTORE BRANDED parts and service. For performance and efficiency, give him a call.
