As you know if you have purchased from us in the past, we always give a FREE GIFT with any order of \$20.00 or more. The larger the order - the better or more value the gift. From time to time we get a terrific response to a certain gift and customers ask if they can buy additional of same. Therefore, the most popular items; and those that we have enough quantity of, we make available at a low, low price. This is why we now catalog the Heavy Yellow G loves and the White Knit Gloves - they were simply so popular (and still are) that we put them in the catalog so our customer can buy all they need; and at a COST PRICE!

Here is one more that we began using and the response has been super! It is the SLICE & SERVE Stainless Steel Kitchen Knife! The picture below is not very good, but gives you an idea of its appearance. It is 10" long from tip to tip. (shown reduced size here). The blade is made of perforated STAINLESS STEEL and the handle is of composite material. Forked design lifts and serves food. Perfect cheese and meat slicer/server. Suggested Retail was \$7.95.
