IN STOCK! COME IN TODAY FOR A TEST DRIVE!

**New Dynashift™ gives you the best features of both a manual and power-shift transmission.**

Dynashift gives you 32 forward and 32 reverse gears by the unique combination of a 4-speed power-shift with an 8-speed synchronized gearbox and a synchronized forward/reverse shuttle.

**Powershift unit**  
Shifting through four Dynashift speed rangers, A, B, C and D, is entirely clutchless.

**Main gears**  
Four, fully synchronized gears, plus a high/low range combine with the four powershift ranges to provide a choice of 32 gears for maximum power and fuel efficiency.

**Reverse shuttle**  
Synchronized independent control lets you keep the same speed in forward/reverse operations.
