

**1 FARM EQUIPMENT**

**For The Way You Farm Today**  
Fingertip Powershift Control, Improved Field Visibility and The Most Comfortable Cab Ever

**Model 9650**  
**147 PTO HP (109.7 kW)**

*For the way you farm today*

With their new 18x9 speed full powershift transmissions that electronically control the engagement of massive gears with just the tap of a hand... their cab-forward design that permits a clear, unobstructed view of the field in all directions... and their roomy, comfortable cabs, that feature a unique swivel, air-ride seat and an exclusive seat-mounted control console, the new 9600 Series tractors are clearly ahead of the time.

Every component — from the sleek, sloping hood, to the rugged, cast-iron mainframe to the world-proven air-cooled diesel engines, that require less maintenance — has been designed to match the way you farm today. The result is greater comfort, better performance and improved productivity.

Compare the features and specifications for yourself. Better yet, stop by your AGCO Allis dealer soon and try out one of the 9600 models for yourself. You have to drive it to believe it.
