

Bubble Chute System

Eliminates Dirty Chutes

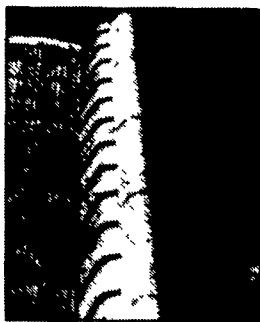

Finally... No more bags, No more hodgepodge (cutting of metal chutes or adding on), No more obstructed climbing, No more dark, damp, or dirty chutes, No more feed build-up on doors, and No more rust or corrosion.

A complete one piece fiberglass chute and clean chute system with a **Life-time Warranty**. A permanent feed control center with all the features you've been waiting for!

The Fiberdome all fiberglass Bubble Chute System is a proven and patented ultra-clean chute system for all new or existing silos.

...made to last

VOLUMAXX

MORE GUTS MORE GLORY

MORE

Stainless Steel
The new Volumaxx™ unloader features reversible adjustable stainless steel paddles, a beveled up 1/2" stainless steel impeller band in the critical wear areas and a stainless steel auger shroud cover. More stainless steel for longer wear and low maintenance!

MORE

Distribution Choices
Volumaxx unloaders give you the best of both worlds. New Hi-Lift legs let you raise the unloader an extra 15 inches into the roof of the silo so you can use a conventional side distributor. Or get the best — a Jamesway Powermaxx™ broad pan silage distributor. Powermaxx can increase your silage capacity more than 25 percent — and we can prove it!

Bring your old Jamesway™ ring-drive up-to-date with a Re-New™ Kit. Ask your dealer for more details. He's the best in the business!

MORE

Performance
The Volumaxx unloader high performance 10-inch dia roughage auger features 16 forward pitch flyblowing to keep haylage and silage moving toward the center of the auger tube and away from the edges. Result: Lower power requirement, more efficiency, higher capacity and less auger wear!

MORE

Protection
The new Volumaxx unloader and Re-New Kit are covered by the exclusive Jamesway three year warranty. We call it C.A.P. (Customer Assurance Protection). That's peace of mind.

Volumaxx™ unloader — because you expect the best from the leader.
